Attached Student Notes

25X1A6B

1. The attached material was part of a certain student's notes which were transported from [REDACTED] to Headquarters, OTR, in accordance with his request at the completion of the Contingency Task Force Familiarization Program last year. Upon being called recently, the student in question suggested that his notes be destroyed.

2. On the assumption that the material relating to the Contingency Task Force may be useful to your office, I am forwarding it to you.
